Dear Mr & Mrs. Manley:

Writing you these few lines to let you all know that I am still rooting for the Eagles down this part of the world. But it looks as if I am rooting in vain because the Eagles are in the Second Division. But any how I am hoping for the betterment of the Club. Mrs. Manley I am deeply surprised of your attitude towards our agreements, of you writing to me about the outcome of that last sum of money totaling the sum of \$44.50. by the Emigrations Office which they will help in case we did not pay all our debts. Here I see that I am here left holding the bag which I did not expect to do. So please send my money soon here to me, so I might receive it in due time. Likewise Brathwaite money also:
